

AMENDMENTS TO THE DRAWINGS

Please delete Figures 16-67 from the application. Upon entry of this amendment, Figures 1-15 will be the only drawings on record for this application.

REMARKS

This amendment is made in accordance with 37 C.F.R. §§1.121 and 1.312, to correct an inconsistency between the drawings and the Brief Description of the Drawings in the specification. Specifically, Figures 16-67 are contained in the Drawings but not listed in the Brief or Detailed Description of the Drawings in the specification. Applicants submit that Figures 16-67 are not necessary to disclose the subject matter of the allowed claims and have thus been deleted from the application. It is believed that the issues raised in the Notice of Drawing Inconsistency with Specification are rendered moot.

This amendment contains no new matter.

Entry of this amendment is respectfully requested.

The Commissioner is authorized to charge any fee or any other relief that may be required, in connection with this petition to Deposit Account 50-0310 (Docket No.: 67456-5033US).
